ATTEST:

Mike Bordogna, County Manager

**PROCLAMATION OF THE BOARD OF COMMISSIONERS OF
SAN MIGUEL COUNTY, COLORADO,
IN RECOGNITION OF SEPTEMBER 2021 AS
NATIONAL SUICIDE PREVENTION MONTH**

PROCLAMATION #2021 - 006

This Proclamation recognizes suicide as a national, statewide, and local public health problem, and suicide prevention as a national, statewide, and local responsibility, and designates **September** as "National Suicide Prevention Month" in San Miguel County.

This month overlaps World Suicide Prevention Day, September 10th, recognized internationally and supported by the World Health Organization.

WHEREAS, suicide remains the 10th leading cause of death in the United States and the 2nd leading cause of death among individuals between the ages of 10 to 34;

WHEREAS, in the United States over 47,000 people died by suicide in 2019, which is about one death every 11 minutes (Centers for Disease Control);

WHEREAS, suicide is the only leading cause of death in the United States that has increased every year for the past decade;

WHEREAS, it is estimated that in 2019, there were over 1.4 million suicide attempts;

WHEREAS, in 2019, suicide was the 7th leading cause of death in Colorado (Centers for Disease Control);

WHEREAS, in 2019, 1,312 people died by suicide in Colorado (Centers for Disease Control);

WHEREAS, over 90% of the people who die by suicide have a diagnosable and treatable mental health condition, although often that condition is not recognized or treated;

WHEREAS, organizations such as the American Foundation for Suicide Prevention, Tri-County Health Network, and San Miguel County are dedicated to saving lives and bringing hope to those affected by suicide, through research, education, advocacy and resources for those who have lost someone to suicide or who struggle, and urge that we:

1. Recognize suicide as a preventable national, state, and local public health problem and declare suicide prevention to be a priority.
2. Acknowledge that no single suicide prevention program or effort will be appropriate for all populations or communities.
3. Address the disparity in access to mental healthcare for underrepresented groups, and advocate for ending these disparities
4. Fund new suicide research to support culturally informed and evidence-based mental health care and services.
5. Promote awareness that there is no single cause for suicide, and that suicide most often occurs when stressors exceed the coping abilities of someone struggling with a mental health condition.
6. Develop and implement strategies to improve and increase access to quality mental health, substance use, and suicide prevention services and programs.

Tuesday, September 14, 2021 10:00 AM

THEREFORE, BE IT RESOLVED that, San Miguel County, Board of Commissioners, do hereby designate September as

“National Suicide Prevention Month”

in San Miguel County.

DONE AND APPROVED by the Board of Commissioners of San Miguel County, Colorado, at a duly noticed public meeting held in Telluride, Colorado, on September 1, 2021.

P.O. BOX 949 · Telluride, Colorado 81435 · (970) 728-4289

NECESSITY OF THIS ORDER

This Order is issued based on evidence of the occurrence and transmission of and vaccination against COVID-19 within San Miguel County. This Order is further based on scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the age, condition, and health of a significant portion of the population within San Miguel County places the population at risk for serious health complications, including death, from COVID-19.

INTENT

The intent of this Order is to ensure that the community as a whole has the opportunity to live, work, and play in environments that do not put them at undue risk for infection of COVID-19. Additionally, maintaining low COVID-19 transmission keeps hospital capacity manageable and allows for other medical care to continue, allows businesses to stay open without capacity restrictions, and reduces the likelihood that schools will have to close to in-person learning. Preventing further spread or a resurgence of disease will require that all individuals and businesses be responsible for adhering to the requirements of this Order. Should a surge of illness continue, additional restrictions on activities may be implemented. All provisions of this Order should be interpreted to effectuate this intent.

ORDER

I. GENERAL

- A. This Order rescinds and replaces in full all prior public health orders issued by the San Miguel County Public Health Director.
- B. This Order shall apply to all unincorporated areas of San Miguel County, Colorado, and all incorporated (municipal) areas that do not have a public health agency, to wit: Town of Telluride, Town of Mountain Village, Town of Norwood, Town of Ophir, and the Town of Sawpit, Colorado.
- C. Nothing in this Order prevents any individual local governmental entity, business or service provider from adopting more protective standards for the health and safety of their jurisdictions, employees, offices, businesses or customers.
- D. Nothing in this Order prevents businesses or service providers from denying any or all of their services as they deem appropriate and necessary under the circumstances.
- E. **Most Restrictive Standard Controls.** To the extent there is a conflict between State, County, Town or Business rules/orders, the more restrictive provisions control.
- F. **Posting Compliance Signage.** Businesses from all industries **must** post appropriate signage to communicate current COVID-19 protocols, as instructed by San Miguel county Public Health.
- G. **Take the Pledge.** Everyone is strongly encouraged to follow the Five Commitments of Containment to curb the spread of COVID-19 and help keep our community open: wear a mask; physically distance; minimize group size; wash hands frequently; and stay at home when sick and get tested.

H. Responsibility for Compliance.

- Individuals. Each individual present within San Miguel County whether they are a full-time resident, part-time resident or visitor is responsible for compliance with this Order and any additional restrictions implemented by individual towns, businesses and facilities.
 - Businesses. The responsibility for compliance for businesses within this Order shall apply to the owner of the Business and owner of the property on which the facility or event is located.
 - Everyone should take steps to review and become familiar with the materials found on the County and State websites, posted by the business or facility as well as materials that are sent to them through the mail or various electronic media. <https://covid-19-sanmiguelco.hub.arcgis.com/>
- I. **Severability**. If any provision of this Order is held to be invalid, the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect.
- J. **Conflicting Interpretations**. To the extent any ambiguity exists between this Order and any statement made by San Miguel County staff and officials or others regarding the interpretation or effect of this Order, the express terms of this Order and its interpretation by the Public Health Director or her designee shall control.
- K. **Penalties**. Failure to comply with any provision of this Order may result in (1) a fine of up to five thousand (\$5,000) dollars and/or imprisonment in the county jail for up to eighteen (18) month pursuant to C.R.S. §§ 25-1-516 and 18-1.3-501; (2) loss of business license(s); (3) and/or a temporary shutdown of your business or worksite.

II. FACE COVERINGS

- A. "Face Covering" shall mean a covering made of cloth, fabric, or other soft or permeable material, without holes, that covers only the nose and mouth and surrounding areas of the lower face, and that fits snugly but comfortably against the side of the face and remains in place without the use of one's hands. Face coverings include, but are not limited to, medical masks and cloth masks. Face coverings do not include any mask that incorporates a one-way valve that is designed to facilitate easy exhaling, and such masks are not to be used to comply with this Order.
- B. All persons, regardless of vaccination status, shall be required to wear a Face Covering when entering and while inside the following locations open to the public within San Miguel County:
1. Any place of business or facility engaged in any sales or other transactions of any kind to the general public and any place that offers services, facilities, privileges, or advantages to the general public;
