**6. BRIDAL VEIL PLATFORM**  
The Platform at Bridal Veil Falls experienced a delay because there was a issue with procuring steel I-beams needed to secure the platform to the drilled holes in the rock. R&B Oilfield has finally received the materials needed and has the platform preassembled for installation. They estimate that work will resume next week and will continue until the deadline of Oct. 31.

**7. IDARADO LEGACY TRAIL CLEANUP**  
The ILT cleanup has been put through the RFP process and Earthworx Excavation has been selected as the contractor on this project. The work is scheduled to start November 4th and is expected to last about 5 days. Traffic interruptions are not anticipated.
